The Skating Club of Boston®

2020–2021 Guidelines for Contracting Ice
September 8, 2020 – June 19, 2021

- The 2020–2021 Fall Season will begin on September 8, 2020 and end on Saturday, June 19, 2021.
- The Club offers 3 contracting options: Standard, Premium, and Platinum. The following guidelines cover Standard contracting unless otherwise noted.
- Please note that by contracting Fall sessions through ActiveNet on the Club's website, you are financially obligated for the entirety of the season. There will be no refunds for skaters who retire, relocate or suffer injury preventing them from using any contracted ice sessions unless they have chosen Premium or Platinum contracting.
- Ice will be assigned in the order of the following priorities:
  1. Club membership seniority.
  2. Highest US Figure Skating Free Skating test passed (as of Tuesday August 25, 2020).
  3. Date of contract submission.
- Submissions not received by the Tuesday, August 25th, 2020 priority deadline will be processed in the order they are received and will not be granted the priorities outlined above.
- Pairs and Dance teams must submit separate contracts.
- Once sessions have been contracted, skaters will have until Friday, October 9, 2020 to request changes (add/drop) to their schedule.
  - Sessions may be dropped outright until Friday, October 9, 2020. Skaters will not be permitted to drop sessions after that date and the contract will remain.
  - Skaters will still be responsible for sessions dropped during the add/drop period for the month of September.
  - Requested changes shall take effect as soon as possible after the submission of the add/drop form.
- All test requirements must be satisfied by the Tuesday, August 25, 2020 priority deadline.
  - The level designations for Free Skate sessions refer to the last test passed.
  - Club Management reserves the right to adjust a skater's schedule for reasons of improper test level.
  - Skaters passing a test that is beyond the designation of a session are strongly encouraged to move to an appropriate session if possible.
- Permanent Wait-Lists will be established for those sessions that are overbooked and skaters on the list will be granted an ordered priority above any walk-on skaters.
- Club Management reserves the right to modify the schedule at its discretion.
- Please note that:
  - Same-day switches from one session to another will be permitted if space is available. Sessions may be exchanged within the same day and/or between family members.
  - Premium/Platinum contracted sessions may be switched to another session within the same week, but may not be used by another family member.

2020–2021 Session Rates
