Taking On the World!

Fifteen skaters representing The Skating Club of Boston have been invited this season to compete in prestigious international competitions.

Beginning this past August in France, and continuing through December in Croatia, these celebrated events highlight the best the skating world has to offer!

President's Letter

Dear Members,

I hope you all had a relaxing and enjoyable summer and are ready for a busy skating season. The Board, Long Range Planning Committee, and staff had a busy summer and I thank them all for their considerable time and talent.

Best wishes for success to our skaters who will represent the Club in competitions this coming year—be the best you can be and enjoy!

Our Club staff has, on a number of occasions over the last six months, been disrespected by some members—and that's not acceptable. Our staff has a responsibility to tend to the daily matters and programs of the Club; respond to continual phone calls about events, programs and ice; and take care of the needs of more than 700 Club members and around 1,600 Basic Skills members.

If you spend time in the office, both in the building and the trailer, you will find a continuous flow of information and a business-like approach to the administration of the Club. We ask that you be respectful when you have an issue; the staff will resolve the problem and we will all be better off. Thank you in advance for your cooperation.

2014 Prudential U.S. Figure Skating Championship tickets are now on sale. The committee had a busy summer

setting up the local organizing committee, participating in site visits with NBC, U.S. Figure Skating, TD Garden, Boston Convention and Exhibition Center, Mass Port, and Ice Rink Events. The website **www.2014boston.com** is up and I am sure you will be continually contacted on the progress and request for volunteers. Go to the website for volunteer information and sign up.

As you all know, we had a change in the finance operation of the Club. A great amount of time has been spent recently selecting new software and realigning our financial structure. The Board now has a better planning tool to provide detailed information on each program, event or club operation. Thanks to all who gave their time on this task. We are making great progress in developing a long-term program that will satisfy the requirements for our new facility.

The Land Exchange Agreement for our new facility was finalized and signed in July. The committee has been working on a capital fund campaign and developing the information necessary for approval by the Boston Redevelopment Authority (BRA). The Letter of Intent to develop the site was submitted to the BRA on September 24, 2012. We have much work to do but are making progress. We will be holding several informational sessions on the Long Range Plans over the next few months.

Our calendar for the year is full and a number of events will require your assistance—we ask you to lend a hand where you can.

Thank you for your support of The Skating Club of Boston.

Sincerely,
Joe Blount

From the Editor

Chips, the official publication of The Skating Club of Boston, is published bimonthly. Each issue focuses on upcoming activities and recaps recent events. Look for the next issue—December/January—on (or before!) December 1.

We always welcome new story ideas, interesting features, photos, questions and feedback. Send to editor@scboston.org. Next issue's submission deadline is **November 9**.

A big thank you to this month's contributors: Joe Blount, Jamie Hull, Timothy LeBlanc, Jarshen Lin, Heidi MacDonald, Lydia Magill, Melissa Mazan, Colleen O'Brien, Jacqueline Raftery, Jeanne Raftery, Nancy Raymond, Cheri Rigby, Aaron Williams and Doug Zeghibe.

Chips is emailed to readers to conserve resources. Current and back issues are posted on the Club website: www.scboston.org

How do skaters prepare for these important competitions?

Ross Miner says he's done many more competitions this year than in previous seasons, to "make sure I've worked out most of the kinks by the time the big ones roll around. Mentally and physically this is probably the toughest part of the year. We are all ramping up to full intensity and trying to stay healthy at the same time."

For Stephen Carriere, preparing mentally and physically comes down to how confident you are in training. "For me, continuously running programs—and the improvement from that—helps me realize that at competitions I can—and will—perform what I do every day at the rink."

New England Regionals . . . a Big Sendoff

2012 New England Regional competitors—Marlborough

The Skating Club of Boston is proud to send 97 competitors to this year's New England Regional Championships, October 12–16, in Warwick, RI. Winners and other medalists will go on to compete at next month's Eastern Sectionals in Hyannis.

Last Friday, September 28, the Club hosted a send-off exhibition and dinner to honor these skaters. We had a great turnout of about 250 people, including skaters and their guests. The dinner, catered by Roche Brothers, offered an assortment of delicious foods and desserts and was quite a hit amongst our guests. This is the first time the Club has used the catering service for dinner and they certainly proved to measure up to our expectations by providing exceptional service. The evening was filled with fantastic exhibition performances by our New England Regionals competitors who have been working hard this season to perfect their programs.

Congratulations to all our skaters who've qualified for this important competition. Best of luck to everyone!

Boston To Host 2014 U.S. Championships

The Skating Club of Boston will host the 2014 Prudential U.S. Figure Skating Championships January 5–12, 2014. This will be the seventh time the Club has hosted this prestigious event, and the first since 2001 when the Club established a then-record for attendance at a U.S. Championships. The 2014 U.S. Championships also mark the 100th anniversary of the event—and is sure to be a spectacular celebration of skating, both on and off the ice.

Most exciting of all: The winners and other medalists will go on to compete in the Winter Olympic Games in Sochi, Russia, February 7–23, 2014. The Club is likely to have several medal contenders in all senior-level disciplines, making this one of the most dynamic U.S. Championships for the Club in more than 50 years. We encourage everyone to act now to secure the best seats in the house to cheer our skaters on . . . to the podium and hopefully a spot on the U.S. Olympic team!

Tickets Now Available

The official event website, www.boston2014.com, is now live and all-event tickets are on sale. Orders will be processed in the order received and tickets can be purchased by credit card or check. (Unfortunately, billing to your Club account is not an option.) Please note that front row seating in particular is very limited, and is already close to being sold out, but seats are still available in the second row for those of you who want to be up close and part of the action!

For those of you interested in being part of the championships volunteer team, you may also now register at the website www.boston2014.com. Key committees and their descriptions are listed, along with the requirements and benefits of volunteering.

If you have any questions about tickets or volunteering, please contact Susan Withrow at susan.withrow@boston2014.com

An Evening (and Afternoon) with Champions

The annual figure skating spectacular returned this past weekend with two amazing shows that showcased both world-class skaters and promising up-and-comers.

Co-hosted by 1992 Olympic Silver Medalist Paul Wylie and 2007 U.S. National Silver Medalist Emily Hughes, this two-day event benefits the Jimmy Fund in their support of cancer research and patient care.

For the past 41 years, *An Evening with Champions* has welcomed 26 gold, 18 silver, and 16 bronze Olympic medalists. This year's featured performers included:

Ladies

- *Kimmie Meissner*—2006 World Champion, 2007 U.S. National Champion
- *Emily Hughes*—2007 U.S. National Silver Medalist
- *Yasmin Siraj*—2010 U.S. National Junior Silver Medalist
- *Christina Gao*—2009 U.S. National Junior Bronze Medalist

Men

- *Jeremy Abbott*—Three-time U.S. National Champion
- *Ryan Bradley*—2011 U.S. National Champion
- *Ross Miner*—2011 & 2012 U.S. National Bronze Medalist
- *Harrison Choate*—2012 U.S. National Junior Pewter Medalist
- *Bennett Gottlieb*—2012 New England Regional Intermediate Champion

ACT I of Boston, photo courtesy of Yin Li

Pairs

- *Marissa Castelli and Simon Shnapir*—2009 U.S. National and World Junior Bronze Medalists, 2012 U.S. Championships 5th place
- *Melanie Lambert and Fred Palascak*—1995 U.S. National Junior Pewter Medalists

Ice Dancing

- *Kim Navarro and Brent Bommentre*—2008 & 2009 U.S. National Bronze Medalists
- *Anastasia Cannuscio and Colin McManus*—2011 U.S. National Junior Bronze Medalists, 2012 U.S. National Championships 6th place

Synchronized Skating

- *The Haydenettes*—2010 & 2011 World Synchronized Skating Bronze Medalists, 20-time U.S. Synchronized Skating Champions
- *Team Excel Collegiate*—2012 U.S. National Synchronized Skating Championships 5th place

Theatre On Ice

- *ACT I of Boston*—2012 National Theatre On Ice Silver Medalists

Also performing were the show's top fundraisers: Caterina Alf of the Florida Figure Skating Club and Sophia Hennessey and Gabriella Izzo of The Skating Club of Boston. In a contest sponsored by the event, they raised the most donations—and were awarded with the opportunity to perform!

The show was directed by Timothy LeBlanc, with choreography by Jason Wong. "We had a great show!" said Timothy. "This year's 42nd annual *An Evening with Champions* featured an awesome cast of national and international champions and proved to be a spectacular production for a wonderful cause."

Babson Summer Camp Keeps Cool

45 Campers Welcomed This Year

The Skating Academy hosted its inaugural *Summer Camp at Babson College* July 16–27, hosting 45 skaters during its two week-long sessions. Campers participated in off-ice conditioning and dance classes, arts and crafts, and outdoor activities on the beautiful Babson campus in Wellesley.

However, the campers' highlights took place in the ice rink. The development of skating skills in fun, age- and skating-level-appropriate groups, and the opportunities to experience choreography, skating with “props”—think hats and other costume pieces, foam noodles, and much more—made it easy to see why the on-ice activities were so popular.

Summer Camp off-ice training

The camp is led by Directors Melanie Lambert and Fred Palascak, with the assistance of several Assistant Counselors and teens who volunteered as Counselors In Training.

2013 Dates Coming Soon

Dates for the 2013 camp session will be announced later this fall. Registration for next year's Summer Camp will begin in early winter. Sign up early so next year's Summer Camp can be part of your 2013 itinerary! Please be sure to watch for email announcements and, of course, check the **Summer Camp** tab under **Events** at www.skatingacademy.org

PSA Conference—Held in Boston!—Wrap-Up

The Professional Skaters Association (PSA), the governing body and official education certification and training program for U.S Figure Skating and Ice Skating Institute coaches, held its annual conference in Boston May 23–26.

The Skating Club of Boston was one of the conference's training and educational venues, and provided classroom, testing, and on-ice demonstration space. The Club was packed on Friday, May 25, as more than 500 coaches from across the country and around the world converged for lectures, demonstrations, and a picnic lunch.

On-ice demonstrations covered the genres of singles, pairs, dance, and synchronized skating. The programs also showcased several Club members who work alongside coaching luminaries such as Mark Mitchell, Peter Johansson, Todd Sand, Pasquale Camerlengo, Saga Krantz, Paul Wylie, and Bobbe Shire. The skaters demonstrated teaching techniques for moves in the field, Lutz and Axel jumps, advanced spins and footwork, among other skating elements.

As our PSA guests were leaving the final day, a familiar theme resonated—The Skating Club of Boston once again provided an excellent venue and high levels of service and programming.

Frog Pond Happenings

Labor Day Laser Light Show

The Skating Club of Boston celebrated the end of the summer season with a laser light show. The performance, set to music by rock band U2, displayed on a giant 26-foot inflatable screen installed in front of the Pavillion.

Generously underwritten by The Friends of the Public Garden, approximately 3000 people of all ages attended, including many families and college students.

Skating Rink Opening Date

The winter season at Frog Pond is scheduled to open Friday, November 16 at 10am—weather permitting. Classes begin Saturday, December 1. For more information, visit www.bostonfrogpond.com

Upcoming Ice Shows

The Club is hosting two (free) Skating Spectaculars this season!

- Thursday, November 29, 5:00pm—The 71st Annual Tree Lighting Pre-Show
- Monday, December 31, 6:00pm—First Night. After the performance, join us for a “Family Skate Under the Stars” until 9pm. Hot chocolate and sweet treats will be provided.

Once again this year, the shows are produced by Timothy LeBlanc, with choreographic assistance by Melanie Lambert and Becky Stump.

Skating Academy Update

The Skating Academy got off to a great start this fall—enrollment is up approximately 20% from last year!

What's New This Year?

The Skating Academy successfully introduced Parent Welcome Meetings—parent education that includes the following courses:

Skating 101—Teaches how to maximize your enjoyment of the group lesson experience. Parents are educated on a wide range of topics, including skate lacing, what to wear, arriving on time, not distracting skaters once the Ice Rules are on the ice, and the importance of practice time. Each meeting is followed by a Q & A session that parents find helpful. Skating 101 is held during the second week of classes.

What's Next?—Covers testing, registration, and the many extra-curricular activities including Basic Skills competitions, Ice Chips, Babson Summer Camp, and group opportunities with Team Excel (synchronized skating) and Theatre On Ice. Information is also shared on the Introductory level of membership at the Club and the benefits of Club membership as a whole. This course takes place during the second-to-last-week of classes.

What's the Same This Year?

Once again, The Skating Academy is hosting four Basic Skills competitions this year. Save the dates: February 9 (The Skating Club of Boston), March 9 (Frog Pond), March 16 (Marlborough), and June 8 (Foxboro). Volunteers are needed for judging, merchandise, hospitality, registration/skater check-in, monitoring, and more.

Enthusiastic volunteers are also needed to help staff the information/registration table during classes.

If you are interested in learning more about these volunteer opportunities, please email Cheri.Rigby@scboston.org

Marlborough News

End-Of-Summer Exhibition

Fifteen skaters participated in an exhibition on August 27 in front of a supportive group of spectators. A special thank you to all the coaches who volunteered their time.

Fall News & Events

- *Fall Ice Schedule*—In session. Practice ice Monday through Saturday.
- *Moves and Free Skate Test Sessions*—Monday, November 12, 9am–2pm. Many skaters do not have school that day, so we expect a large number of applicants. Please get your forms in early to secure your spot.

Theatre On Ice Acting Up

The Skating Club of Boston's Theatre On Ice teams are busy preparing for another exciting season!

Encore

Practices have begun on Sunday evenings, starting at 5:10pm, with Encore of Boston. Competing in the Open division, Encore has a full roster of 16 skaters ranging in age from 8 to 15, yet is always interested in taking on new skaters.

Center Stage

Center Stage, the preliminary team, begins practices on Sunday, November 11, also at 5:10pm. The team has limited room available for skaters who have passed Free Skate 1 in the Basic Skills program, but not passed any test higher than pre-preliminary.

ACT I

Our senior team, ACT I, practices on Sundays at 6:40pm and Tuesdays at 8:30pm. ACT I also has a full cast this year but always welcomes interested skaters. They performed their *La Nouba* free skate at *An Evening with Champions* this past Sunday (story, p. 6). ACT I is now taking a break from practice and will begin again in late winter.

Imagica

Imagica, our adult team, follows ACT I at 8:00pm. Imagica has room for skaters 21 or older who have passed at least one U.S. Figure Skating test (other than a Basic Skills badge)—adult or standard-track moves in the field, dance, free skate, or pairs. Imagica is hosting a wine-tasting fundraiser in November. Watch for the email invitation!

Team News

All four teams will compete at next June's Theatre On Ice National Competition in Ohio, as well as other competitions and performances throughout the season. Imagica and ACT I will compete next April at The Theatre On Ice Nation's Cup in Spain.

The Club has now added a fifth, introductory-level, Theatre On Ice team. This group has been sharing the ice with Encore, 5:10–5:40pm, and is open to skaters in the Basic Skills program who have passed Basic 4. Any skaters interested in this newly formed introductory team should check out the website: www.skatingacademy.org/info/next-steps/theatre-on-ice

For more information on our Theatre On Ice teams, go to: www.scboston.org/teams/theatre-on-ice

And don't forget to stop by the Club on Sunday evenings to check out what our teams are preparing for the upcoming season!

Happy 90th Birthday, Benjamin Wright!

Ben with dear friend and Club member Pat Soanes

We'd like to wish Benjamin Wright—former U.S. Figure Skating President and Club Member #1—a very happy 90th birthday, which he celebrated in August. Thank you for all your years of dedication to both The Skating Club of Boston and U.S. Figure Skating!

Ben as a young child with his dog Able

Ben with great niece Amada and great nephew Ben

Congratulations Martha Buckley!

Martha Buckley: Two-Time Collegiate Award Winner

Club member and Miami University synchronized skater, Martha Buckley was one of eight student athletes at Miami University in Ohio to receive the school's most prestigious annual awards.

Martha Buckley

Spirit of Miami Award

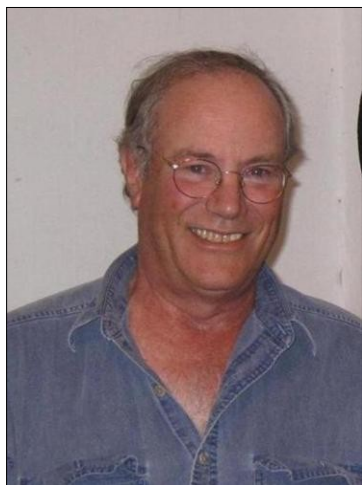

The Spirit of Miami Award honors athletes who demonstrate extraordinary team dedication. Martha was voted by her teammates as the Team Spirit award winner four times in her career. Martha was most recently a member of the senior synchronized skating team, after being on the junior and collegiate teams as a freshman and sophomore. In 2010, Martha helped her team win the national championship!

Leann Grimes Davidge Award

Martha also captured the Leann Grimes Davidge Award. A top award for an upperclass female student-athlete, it is in honor of the late Miami University women's tennis coach. The award keeps her legacy alive through the recognition of outstanding female student-athletes who excel in athletics, academics and leadership.

In Memoriam . . .

Edmund 'Ned' B. Cabot
July 21, 1943 – September 1, 2012

Ned Cabot

We note with sadness the passing of Dr. Edmund 'Ned' B. Cabot, 69, a long-time member of the Club. Ned drowned September 1 off the coast of Newfoundland, when a rogue wave swept him from his yacht.

He was on the final leg of a journey he and friends had pursued over the past seven summers on his sloop, Cielita, that had taken them from Nova Scotia through Greenland, Iceland, and Scotland to the coast of Norway.

Experienced sailors described Ned as "the most careful and responsible sailor" that they ever met. Ned wrote and spoke publicly about his voyages and won a 2012 writing award from The Cruising Club of America, in which he was a longtime member.

A retired surgeon and scion of a Boston Brahmin family, Ned was a lifelong sailor. After retiring from Brigham & Women's Hospital and teaching at Harvard Medical School, he dedicated himself to philanthropy and sailing. He was the founder of Cabot-Wellington LLC and a trustee of the Cabot Family Charitable Trust and the Godfrey L. Cabot Family Association.

In a statement released by the family, Cabot's wife described the father of four as a man with a passion for adventure that he shared with others. "He was good at everything he did and a great teacher."

Peter Morrissey
January 15, 1953 – August 3, 2012

Peter A. Morrissey, a dedicated Club volunteer, passed away August 3 at the age of 59, from complications of brain cancer. A noted public relations communicator, professor, entrepreneur, and sportsman, Peter provided pro bono media services for last year's announcement of the Harvard land exchange, as well as for the Skaters' Ball.

Born, raised and educated in Boston, Peter's successful public relations career spanned more than 32 years. In 2004, *PRWeek* named Peter as one of the top crisis communications counselors in the nation, describing him as one of the 22 professionals "who should be on the speed dial in a crisis."

In 1999, Peter founded Morrissey & Company, on the premise that building enduring reputations was more valuable to clients than simple awareness-building campaigns, emphasizing that what a company stood for is more important than its product's features or new products.

Peter joined the faculty at Boston University in 2004 as an Associate Professor in the College of Communication, teaching crisis, corporate and negotiation, and conflict resolution courses.

An avid athlete, Peter played hockey for Boston University, his alma mater, and also drove the Zamboni during his childhood at The Skating Club of Boston.

Peter also served on numerous boards in the Boston business community including Morgan Memorial Goodwill Industries (former Chairman of the Board).

Kevin Dully
1959 – September 20, 2012

Kevin Dully, 53, husband of long-time Club member Laura (Underhill) Dully, succumbed last month to leukemia. Laura Dully is the Club's Free Skate test chair. Kevin died from complications from his 20 year battle with leukemia. He was always a fighter. Lace Up for Leukemia Skate a thon was born from his wife's, Laura's, love of skating and wanting to do something for the leukemia & lymphoma society. The event raised half million dollars during the 12 years Laura hosted the event.

Kevin worked at The T JX Companies, Inc. and was the father of Andrew Dully.
