

SKATING WITH CHAMPIONS RULES AND INFORMATION

An Evening with Champions Summary

An Evening with Champions is an annual figure skating exhibition that benefits the Jimmy Fund at Boston's Dana-Farber Cancer Institute, an institution devoted to cancer research and treatment. Led entirely by students at Harvard University, our show combines the energies of world-class figure skaters, student volunteers, and the public in the fight against cancer. Since our founding in 1970, we have donated over \$2.8 million dollars to the Jimmy Fund, and we are hoping to make this year one of our best years yet! In addition to being a great cause, we have also attracted some of the world's best figure skaters, including Yuna Kim, Johnny Weir, and Nathan Chen, among countless other Olympians and renowned skaters.

Skating with Champions Fundraiser Summary

Teams from across the country can sign up to fundraise for the Jimmy Fund for the opportunity to skate alongside some of the world's best figure skaters in the 48th annual *An Evening with Champions*. The fundraiser asks that skaters form teams (or go solo) to fundraise on behalf of *An Evening with Champions*. The gist of Skating with Champions is that by running your own fundraiser, you can win a chance to skate with the champions in this year's show! Previous methods of fundraising have included personal sponsorships, bake sales, car washes, and more. The team (or individual) that raises the most money will be invited to perform in the show, in addition to receiving tickets to our post-show reception, where they will have a chance to mingle with our cast. Prizes will be awarded based on the amount of money each team raises before the deadline.
