

Coaches Rules

(as amended March 7, 2018)

CSR 1. Code of Ethics

A Code of Ethics and Professional Conduct has been adopted for Club coaches so that public respect and the status of the coaches at The Skating Club of Boston may be enhanced and secured, and so that ethical principles can be followed to avoid actual and perceived impropriety. The following basic rules shall govern the conduct and relations of all coaches (Club, Junior, Guest and all such other designations that may be instituted at a future date) serving at The Skating Club of Boston ("Club") and its satellite locations. Any complaint concerning breaches of these rules shall be addressed by the Club Director or Executive Director.

All Club coaches duly so appointed by the Club, including both members of the Professional Skaters Association (PSA) and non-members (hereinafter referred as "coaches"), shall at all times exercise the greatest care and discretion in their relationships with other coaches, students, and students of other coaches;

- (a) Prior to acting as a coach, all coaches shall determine the nature and extent of any earlier relationship between the skater and other coaches;
- (b) Coaches shall dress neatly and in a clean and appropriate manner as is becoming of a professional staff member of The Skating Club of Boston. Coaches should not at any Club facility or function wear clothing or other attire promoting another skating club or skating team other than those of the Club.
- (c) Coaches shall be ever mindful of the influence they exercise over their students and be responsible for the impact their words or actions have on their students both now and in the future.
- (d) Each coach shall at all times be mindful that he or she has the responsibility to influence his or her students to act ethically, with dignity, and with high moral conduct. The coach shall never place the value of winning above the value of instilling the highest desirable ideals of character in his or her student, nor shall the coach act in any manner inconsistent with a high standard of ethical and moral conduct;

- (e) Coaches shall take an active role in the prevention of drug, alcohol and tobacco abuse by their students both in and outside of Club facilities, and under no circumstances will they condone the use of such substances by their students;
- (f) All coaches recognize that they must act in a manner which avoids verbal or physical abuse of any skater, other professionals, parents or officials. Coaches shall not engage in, nor permit any skater with whom they are charged with the responsibility of coaching to engage in any offense in violation of federal, state, or local laws, or laws of a foreign government;
- (g) Coaches at all times shall avoid any conflict of interest that might create an improper advantage for the coach, or for his or her students.
- (h) Club coaches are expected to be professional in their conduct at all times and “ambassadors” for the Club within the skating community. As such, Club coaches shall not publicly make disparaging comments, or start or perpetuate unfounded rumors about the Club, its members or management. However, constructive criticism and observations directed to the Club’s management are welcomed at all times.

CSR 2. Tenets of Professionalism

The purpose of the tenets of professionalism is to provide a framework of conduct above and beyond the minimum standards provided by the Code of Ethics as set forth in the CSR 1.

All Club coaches must aspire to the highest ideals of professionalism and acknowledge that the following tenets of professional conduct should be followed in the performance of professional services provided to those with whom they have contact:

- (a) As members of the professional coaching staff of The Skating Club of Boston, we will conduct ourselves in a manner that reflects respect for the rules under which our skaters compete and we will uphold with decorum and integrity the testing programs and competitions;
- (b) As Club coaches, we recognize that professional courtesy is required of us in our capacities as members of The Skating Club of Boston staff, and that our clients are also Club members. As such, we will at all times be civil and courteous and treat all with whom we come in contact with respect and fairness;
- (c) As Club coaches, we acknowledge that from time to time students with whom we work may wish to leave us and seek coaching elsewhere, and that, conversely, we as coaches may desire to end our coaching relationship with a student. We

acknowledge that we will cooperate with other coaches and the parent members of the Club when such conflicts or desire for changes arise.

- (d) When competitions or testing situation arise, we agree to keep our students and the parents of those students well informed and involve them in decisions that affect their interests, while at the same time avoiding emotional attachment to our students and their activities both in skating and out of skating which might impair our ability to render professional service;
- (e) As Club coaches, we will honor our promises and commitments, whether oral or in writing, and strive to build a reputation for dignity, honesty, and integrity in the skating profession;
- (f) As Club coaches, we will not make unfounded accusations of impropriety, or attribute bad motives to other coaches or parents of skaters in bad faith or without good cause.
- (g) As Club coaches, we will not engage in any course of conduct designed to harass any other coach, skating organization official, Club Management, skater, or parent of another skater.
- (h) As Club coaches, we will never allow race, gender, religion, age, sexual orientation or other specific classifications of persons to improperly motivate our actions.
- (i) At all times and in all things when dealing with the skating public, officials, and other members of the coaching profession, as Club coaches we will adhere to the proposition that our practices shall be governed by the highest principles of honesty and integrity.
- (j) As Club coaches, we acknowledge the importance of maintaining our professional competence to the highest standards by continually pursuing educational and professional upgrading offered by the PSA and other areas of knowledge including the performing arts, sports science, sports psychology and officiating.

CSR 4. The term “Club coach” shall refer to coaches who, with input and review by the Club’s Board of Directors, have been approved by the Club’s Executive Director to teach on applicable designated sessions, which approval shall be reviewed on an annual basis in May. There are four categories of Club coaches: (1) Full-time coaches, who may teach on all sessions, including Club and member sessions, at any Club location; (2) Part-time coaches who enjoy the same privileges as Full-time coaches, but may teach on no more than five sessions per week inclusive of all Club facilities; (3) Satellite coaches, who may teach on all sessions at the Club’s satellite locations, but do not have staff coaching privileges at the Club’s Boston facility; (4) Team coaches, who may participate as coaches in the Club’s synchronized skating program and/or Theatre on Ice programs, but have no other staff coaching privileges. This notwithstanding, all Club coaches may, upon the invitation of Club management and at its sole discretion, participate as coaches in the Club’s Skating Academy programs, and all Club coaches may teach on ice sessions that are open to non-members.

CSR 5. The term “junior coach” shall refer to an eligible skater who is an active member of the Club, represents the Club in competition, contracts for ice with the Club, is at least age 18 or a senior in high school / high school graduate, and meets one of the following criteria:

To be eligible, skaters must also work under the tutelage of the Club’s approved junior coach mentor. To remain in the program, junior coaches must abide by the Code of Ethics and applicable Tenets of Professionalism established for all coaches at the Club.

Junior coaches may teach on all public and non-member sessions, including all summer sessions, and on the following Club member sessions: Monday 5:20pm; Tuesday, Wednesday and Thursday 5:20 PM, 6:00 PM and 6:50 PM sessions, the Friday 5:20 PM session and evening Club ice, and the Saturday and Sunday intermediate and below member sessions, and Sunday Club ice (hot chocolate session); these Club member sessions will be known as “Junior Coach Eligible Weekend Sessions.” On Junior Coach Eligible Sessions, junior coaches are restricted to teaching students at the intermediate or below test level. At no time will total coaches in the junior coaching program exceed 12 skaters.

CSR 6. All coaches will be required to pay such fees as shall be established from time-to-time by Club management. Furthermore, coaches are required to pay any applicable per-session fees in advance of teaching on the applicable session. At the recommendation of the Executive Director, and with the approval of the Board of Governors, coaches who continually fail to abide by these rules may have their coaching privileges at the Club revoked.

CSR 7. All coaches shall adhere to and enforce student adherence to all Club Rules. Failure to abide by Club rules may result in formal warnings and/or fines as determined in the sole discretion of the Executive Director.

CSR 8. All coaches must maintain liability insurance coverage in an amount equal to the standard policy of the PSA, and must provide satisfactory evidence of such coverage prior to being able to teach at the Club.

Club coaches must be compliant with at least the U.S. Figure Skating Category B Continuing Education Requirements (CER) for the applicable skating season, while junior coaches must be compliant with at least the U.S. Figure Skating Category C Continuing Education Requirements for the applicable skating season. Satisfactory evidence of such coverage must be provided to the Club office prior to being able to teach at the Club.

CSR 11. Semi-private lessons in which a coach is simultaneously working with two students on generally similar elements are permitted for the instruction of free skate, pairs and dance, but are not allowed for the instruction of Moves in the Field. Group lessons are not permitted at any time unless part of an official Club program such as those operated by the Club's Skating Academy, Synchronized Skating, Theatre on Ice or other programs authorized by the Club Executive Director or Board of Directors.

CSR 12. Only Club coaches and junior coaches approved by the Executive Director or Club Management will be allowed to operate a jumping harness, pole harness, spinner or any Club video equipment (including the Dartfish system). No more than 2 coaches at a time may use either the jump or the pole harness. Approved coaches will abide by the equipment rules as stated for all staff coaches.
