

The Skating Club of Boston®

December 1, 2018

Dear Member,

Once again, the holiday season is here! We hope you will join the Club leadership in expressing its gratitude to the Club's management and staff for their loyalty, dedication and hard work throughout the year.

Each year we ask that members consider contributing to the employee holiday fund so that the Club may provide holiday bonuses to its employees. This is by no means mandatory, but if you are inclined to donate, you may charge your contribution to your Club account or enclose a check with the contribution form below in the stamped, self-addressed envelope provided.

Happy Holidays!
