## 2018-2019 Guidelines for Contracted Ice

August 26, 2018 – June 23, 2019

- The 2018-2019 Club Season will begin on August 26, 2018 and will end on June 23, 2019.
- These rules apply for members and satellite members who contract at either the Brighton or Foxboro locations.
- Please note that this contract is binding for the entirety of the season and there will be no refunds or reductions in cost for skaters who retire, relocate or suffer injury preventing them from using any contracted ice sessions. The signatory of this application agrees to pay all contracted ice costs for the entire season and is responsible for any costs incurred by the Club in collecting any delinquent amounts, as well as the payment of late fees and interest charges.
- Ice will be assigned in order of the following priorities:
  1. Club membership seniority.
  2. Member of the Club's High Performance program (as of Friday, July 27, 2018).
  3. Highest US Figure Skating Free Skating test passed (as of Friday, July 27, 2018).
  4. Date of application receipt
- Applications not received by the Friday, July 27, 2018 priority deadline will be processed in the order they are received and will not be granted the priorities outlined above.
- Applications submitted without the signature of the applicant (or, for minority-age participants, that of a parent or guardian) will not be processed and will be returned.
- Pairs must submit separate applications and clearly indicate which sessions they wish to contract for the purpose of skating as a pair.
- Once contracted ice has been assigned, skaters will have until Friday, September 14, 2018 to request changes (add/drop) to their schedule.
  - Sessions may be dropped, outright, until Friday, September 14, 2018. Skaters will not be permitted to drop sessions after that date and the contract will remain in force through occurrences of retirement, relocation or injury.
  - Skaters will still be responsible for sessions dropped during the add/drop period for the month of September.
  - Requested changes shall take effect on October 1, 2018.
- All test requirements must be satisfied by the Friday, July 27, 2018 priority deadline.
  - The level designations for Free Skate sessions refer to the last test passed.
  - The Ice Committee reserves the right to adjust a skater's schedule for reasons of improper test level.
  - Skaters passing a test that is beyond the designation of a session are strongly encouraged to move to an appropriate session if possible.
- Permanent Wait-Lists will be established for those sessions that are oversubscribed and skaters on the list will be granted an ordered priority above any walk-on skaters.
- The Ice Committee reserves the right to modify the schedule at its discretion.
- Please note that:
  - Subletting applications are available upon request in the Club Office.
  - Same-day switches from one session to another (of equal or lesser value) will be permitted if space is available. Sessions may be exchanged, within the same day, between family members.
- Skaters will be notified, in writing, of their assignments as soon as possible.
