Notes: Management reserves the right to modify the schedule at its discretion. Shaded boxes are reserved for Club members and Club staff coaches only. Only staff coaches may give lessons during the weeks of Thanksgiving (Nov. 25-29) and the winter holidays (Dec 23- Jan 3). The 5:05 - 7:45AM Free/Dance sessions: while qualifying competitive dance teams are training on the ice, for safety reasons skaters 8 yrs old and under will only be allowed on these sessions while in a lesson. Pair teams are not permitted. Sessions marked with (+) may be cancelled to accommodate Club activities (including but not limited to test sessions, Ice Chips rehearsals, on-ice workshops and PSA or judging seminars). Sessions marked with (\*) require skaters PP-Pre Juv be a member of the Club and be in a lesson the entire session. Sessions marked with (^) require all skaters to be registered in a qualifying event at this season's NE Regional Championship; Coaches with students seeking an exception should contact Club Management. During High Performance (HP) sessions, all skaters must also adhere to High Performance rules.
