

# The Skating Club of Boston®

## 2023 Summer Guidelines for Contract Ice

June 18, 2023 – September 2, 2023

*These guidelines apply to Club members and non-members who contract ice at The Skating Club of Boston during the 2023 Summer Session.*

1. Contract ice sessions are available via ActiveNet for both members and non-members of the Club on a first-come, first-served basis. Member-only sessions may only be contracted by Club members on the Family, Single, Introductory, and U.S./World Championships Competitor packages.
2. All skaters are required to be active members of either Learn To Skate USA or U.S. Figure Skating.
3. If a session reaches capacity during online registration, a waitlist will be established. In the event that space becomes available on a session with a waitlist, skaters will be notified in the order they were added to the waitlist. Only members on the Family, Single, Introductory, and U.S./World Championships Competitor packages may add their names to a session's waitlist.
4. Contracting of sessions will continue through the duration of the Summer season. Online registration for sessions closes 14 days prior to the date of the session.
5. Family, Single, Introductory, and U.S./World Championships Competitors members will be billed on the first of the month for sessions occurring within the same month. These members also have the option to opt-out of monthly billing and to pay for all ice at the time of registration. Team and Friends of the Club members, as well as all non-members, must pay for their ice in full at the end of the online checkout process.
6. Both members of a pair or dance team must contract their ice separately.
7. Skaters will be notified in writing if the Club is unable to accommodate their requested sessions.  
Please remember that:
  - No refunds will be made after the start of the summer session on June 18, 2023.
  - No cancellation of requested ice time or programs can be made after the start of the summer session on June 18, 2023.
8. Management reserves the right to cancel any session or class that is under-subscribed or to make changes to the schedule, if necessary.
