

The Skating Club of Boston[®]

2023–2024 Guidelines for Contracting Ice September 3, 2023 – June 15, 2024

1. The 2023–2024 Fall Season will begin on September 3, 2023 and end on Saturday, June 15, 2024.
2. All skaters are required to be active members of either Learn To Skate USA or U.S. Figure Skating.
3. The Club offers 2 contracting options: Standard and Platinum. The following guidelines cover Standard contracting unless otherwise noted.
4. Please note that by contracting Fall sessions through ActiveNet on the Club’s website, you are financially obligated for the entirety of the season. There will be no refunds for skaters who retire, relocate or suffer an injury/illness preventing them from using any contracted ice sessions unless they have chosen Platinum contracting.
5. Contract ice sessions are available via ActiveNet for members of the Club on a first–come, first–served basis. Contracting at the member rate is only available for Club members on the Family, Single, Introductory, and U.S./World Championships Competitor packages. Team and Friends of the Club members, as well as all non–members, will be charged non–member rates for walk–on sessions and may only contract sessions held at the Daly Rink in Newton, MA.
6. Both members of a pair or dance team must contract their ice separately.
7. Sessions may be dropped outright until Saturday, October 14, 2023. Skaters will not be permitted to drop sessions after that date and their contract will remain for the duration of the season. Skaters will still be responsible for sessions dropped during the add/drop period. Requested changes shall take effect as soon as possible after the submission of an Add/Drop Form.
8. The level designations for Free Skate sessions refer to the last test passed. Dance–allowed sessions are open to skaters of all dance levels. Club Management reserves the right to adjust a skater’s schedule for reasons of improper test level. Skaters who pass a test that is beyond the designation of a session are required to move to a level–appropriate session thereafter.
9. Permanent Waiting Lists will be established for sessions that are filled with contracted skaters. Skaters on the waiting list will be granted an ordered priority above any walk–on skaters.
10. Please note that:
 - o Same–day switches from one session to another will be permitted if space is available.
 - o Sessions may be exchanged within the same day and/or between family members.
 - o Platinum contracted sessions may not be used by another family member.
11. Club Management reserves the right to cancel any session or class that is under–subscribed or to make changes to the schedule, if necessary.
