

The Skating Club of Boston®

2024 Fall Guidelines for Contract Ice | September 1 – June 30, 2024

1. Contract ice sessions are available via [ActiveNet](#) for members of the Club on a first-come, first-served basis. Sessions may only be contracted by Club members on the Family, Single, Introductory, Team, and U.S./World Championships Competitor packages.
2. All skaters are required to be active members of either Learn To Skate USA or U.S. Figure Skating.
3. If a session reaches capacity during online registration, a waitlist will be established. In the event that space becomes available on a session with a waitlist, skaters will be notified in the order they were added to the waitlist. Only members on the Family, Single, Introductory, Team, and U.S./World Championships Competitor packages may add their names to a session's waitlist.
4. **Contracting of sessions will end on March 1, 2025 (updated from December 31, 2024)**. After this date, members and non-members may register online in advance for any sessions with available space at the walk-on rate.
5. Ice contract fees and all other charges for the month will be charged to Club member credit card on file on the 1st of each month, or can be paid in full when registering for activities. All member accounts with any unpaid balances past 30 days will be charged to the credit card on file for the full, past-due amount to bring the account balance to zero. Members will be automatically enrolled in the monthly autopay through the Club's online bill payment system unless the member opts out. If the member is not on auto pay, payment for contracted ice will be due on the 15th of the month prior of the month being contracted. At the discretion of management, any member who has opted out of autopay and has a chronically overdue account will be enrolled in automatic payments on their account within the Club's online bill payment system.
6. Both members of a pair or dance team must contract their ice separately.
7. The deadline to drop contracted sessions for the Fall season is October 19, 2024. This form, previously known as the "Add/Drop" Form, is only for dropping ALL meeting dates for the remainder of the season. Individual sessions cannot be dropped for Fall, and email/phone requests will be not be accepted. After October 19, you can only make one-for-one changes using the [form](#), meaning you must add a session if you're dropping one.

Same-day requests must be handled through the Club Office the day-of, and ice credit for qualifying and/or international competitions must be submitted in writing, in advance of the event, to club.info@scboston.org.

8. Management reserves the right to cancel any session or class that is under-subscribed or to make changes to the schedule, if necessary. All Club members and coaches are required to check the [Ice Schedule Notices](#) page frequently.

9. The Fall schedule spans the academic year, with changes for Winter notated in the document. The Fall schedule will end on June 30, 2025, with the Summer schedule beginning on July 1, 2025.

2024–2025 Ice Session Rates

Session	Member Contract	Member Walk-On	Non-Member Walk-On

12. DALY RINK CONTRACTING – due to the delayed opening of the Daly Rink, contracting for the Monday through Friday sessions (6:00 AM – 8:00 PM) is not available at this time. We still anticipate Daly to open mid-October, and will open contracting as soon as we confirm the date. Thank you for your patience!

11. 2024–2025 Platinum Contracting *NEW INFORMATION*

- For the 2024–2025 season, we are introducing a single Platinum Package, which guarantees each skater 15 contracted sessions per week, regardless of length. This package also includes unlimited walk-ons and the ability to make same-day and/or same-week switches. The Platinum Contract Package will be \$16,500 for 43 weeks, which breaks down to \$384/week.
 - *This new approach, replacing the previous Platinum 50 and Platinum 80 options, is part of a pilot program designed to collect better data on our skaters' usage. Based on this information, Club Management will reassess the program for Summer 2025 and beyond.*
 - *The price reflects a 15-session training week as your base, offering maximum flexibility and peace of mind in case of unexpected life events. Skaters can cancel their Platinum contract at any time during the season or freeze their contract for up to four months once per season in the event of injury, illness, or relocation.*
- Skaters may cancel their Platinum contract outright at any time of the season and also have the ability to freeze their contract billing throughout the season should they suffer an injury/illness or relocate for up to 4 months, once per season.

- Contracts may be canceled at any time during the season with charges due through the end of the month of cancellation. Cancellation requests must be submitted in writing to the Club Office at club.info@scboston.org.
- **Priority Deadline for 2024–2025 Platinum Contracting: Saturday, August 24**
 - Complete the form [HERE](#)
 - Next steps will be communicated via email by the Club Office for online contracting, and walk-ons via ActiveNet.
 - Please note, all contracted sessions are subject to approval by Club Management.

12. Online walk-ons for the Fall Schedule will be available in ActiveNet no later August 30, 2024.
